WORK EXPERIENCE

Social Media Manager 2019 - 2023

Omkar computers and support,Damak

I Worked here in this company as a social media handler, As a starter I felt quite nervous regarding my work but later I build a good confidence .I worked here from 2019 and still working with this company.

Digital Marketing Manager 2019 - 2021

HD stores,Damak

I Worked here in this store as a digital marketer, I started working here since late 2020 till late 2021. I also worked as a graphics designer in this store which helped me to perform different freelancing works in day-today life.

Graphics Designer 2019- 2023

Gamma X-zone

I Worked here in this store as a Graphics designer, I started working here since 2020 and still in touch with this store. This store boosted me to perform different projects and freelancing works in day-today life.

Web developing 2019- 2022

Self Develop

This is just for the future purpose when i will be able to perfer all the web designing related tasks
